contd.

The Collector proposes to absorb the persons mention in Statement No.1 (the clerks and peons) in the Bellary district itself as there are only a small number of State employees who are to be taken in this Government's service. The future territorial affiliation of the Sandur State has not been finally decided. The Board has already submitted proposals to the Government separately for the formation of a separate taluk called the "Sandur Taluk" with Head Quarters at Sandur and with the two neighbouring firkas of Tornagal and Choranur added to the merged area (formerly comprising the Sandur State). There are only 9 clerks and 9 peons to be absorbed in the Revenue Department and they can be absorbed in the proposed "Sandur Taluk" itself when it is formed or in the other offices in the Bellary District itself.

3. Proposals for absorption.

Statement No.I. Section I. The proposal of the Collector of Bellary is to absorb the five persons mentioned in this section as Lower Division clerks in the Revenue Department. These persons possess the minimum general educational qualification and are found suitable by the Collector for absorption as Lower Division clerks. In the cases of S.Nos.1,2, 4 and 5 the relaxation of the age rule is necessary. The Collector has stated that these men are not eligible for the grant of advance increments under G.O.Ms.78, Finance dated 6.2.47 as none of them has put in two year's service in that particular cadre as the present scales of pay of the Sandur employees were introduced only in the year 1947. The Collector of Bellary is being informed that according to para 5(e) of G.O.Ms.855, Public (Political) dated 26.3.49 these State employees will be eligible for one increment in the Provincial scale if they have had one year's service [illegible] in the new Sandur State scale introduced in 1947 or [illegible] count any period less than one year which has not been already counted for increment in the State scale. The Board recommends that the proposal of the Collector to absorb the five persons as Lower Division clerks may be approved.

4. Statement No.1. Section II. The four persons mentioned in this section do not possess the minimum general educational qualification but are stated to be otherwise qualified for the post of Lower Division clerks. As pointed out by the Collector of Bellary these persons will have to be kept on only in the State scale of pay and allowances and finally retired under the State Rules as laid down in para 2(iii) of G.O.Ms.855 Public (Political) dated 26.3.49. Such members cannot be regarded as members of the Madras Government services. The concessions granted to all State employees (including Sandur) in G.O.Ms.3490/49 Public (Political) dated 14.10.49 apply only to those employees who possess the minimum general educational qualification but who have not acquired the departmental qualifications prescribed for the posts in which they are absorbed. These four persons have requested that they may be allowed pay and allowance at provincial rates or at least dearness allowance at provincial rates. The Board considers that there will be no insuperable objection to grant these persons dearness allowance at least at provincial rates on the analogy of the provision in G.O.Ms. Public (Political) dated 16.8.49 in the case of pers

who were yet to acquire the requisite departmental qualifications to whom the provincial scales of pay also were granted subsequently in G.O.Ms.3490/49 Public (Political) dated 14.10.49. The Board recommends that these four persons may be permitted to draw Dearness Allowance at Provincial rates and that they may also be permitted to appear for the Public Service Commission examination of the S.S.L.C. Standard, to qualify themselves for the Provincial Scales of pay and further promotions. Of the four persons mentioned in this section the Collector has promised to send a further report in respect of Sri K. Bhanmiah. It will be submitted to the Government on receipt.

5. Statement No.1. Section V:- Peons:-

The Board recommends that the nine persons mentioned in this section may be absorbed as peons in the Revenue Department.

The clerks and peons proposed for absorption may be absorbed within the Bellary District and preferably in the proposed Sandur Taluk.

6. Statement No.I. Section III:- Gazetted officers of the Sandur State.

Sri K. Ramachandra Sastry is stated to be the senior gazetted officer of the Sandur State and he was the General Secretary to the Government of Sandur at the time of merger. He is 44 years old and draws a pay of Rs.170/- in the State scale. He is a graduate and has passed the Criminal Judicial test. He has got to his credit 23 years of service and much experience as a Secretarial officer in the Sandur Secretariat. The Collector has reported that he has passed one part of the Accountant-Test but the officer does not mention this in his application for absorption. The Board recommends that this officer may be absorbed as a Deputy Tahsildar in the Revenue Department and may be given two years' time to complete the Departmental test required. As he is 44 years old the relaxation of the age rule is also necessary.

7. Sri H. Basiah:- This person has been working in Sandur as the Income Tax Commissioner, Treasury officer and in other capacities. The Collector has addressed the Income tax department for the absorption of this officer. He is being asked to examine the charges against Sri H. Basiah and to decide from the nature of the charges against him and the evidence he has gathered whether he deserves to be absorbed or not.

8. Statement I. Section IV:- The Two persons mentioned in this section who worked in the late Sandur Revenue Department have been proposed for absorption in the Registration Department and the Collector has addressed the Inspector-General of Registration direct in the matter.

Statement II - Persons proposed for retirement or discharge.

9. Section I. Permanent Clerks:- These fi clerks have put in more than 30 years of service an not posess the minimum general educational qualif

G Shamanth Let...

The Collector considers them unfit for further service. Items 1 and 5 are over 55 years old. They may be retired with pension. No.2 has already retired and No.3 may be ordered to be retired as he has put in 30 years service already. The Board considers that the case of No.4. can be disposed of only after the result of his appeal to the Government is known.

10. Section II. Peons - permanent:-

To be retired. ...	1	(Item 1) * proposed by Board for absorption.
Already discharged under orders of Government.	4	(Item 2-5).
Discharged as they were unwilling to serve.	2	(Item 6 and 7)
Total.	7	

The Board has submitted to Government separately proposals of the Collector for the payment of compensation as laid down in para 10(1) of G.O.Ms.855/Public (Political) dated 26.3.49 to the urchin peons, (Nos.2 t 5) the Dhobi (No.6) and the butler (No.7) who were discharged from service under orders of Government. The Collector proposes to retire peon Anumiya (No.1) who is only 56 years old. The Board recommends that he may be absorbed as peon in the Revenue Department and appointed in the Bellary district, since he can serve at least for four years more.

Section III.

11. Temporary Servants:- The Collector has proposed the discharge of all the 14 persons mentioned in this section. Item 2 has already been discharged. The remaining persons may also be ordered to be discharged. These are only temporary hands and no right to compensation for loss of career can arise on their discharge.

***

There are altogether 48 persons belonging to all catogeries of service i.e. Inferior, Ministerial subordinate and Gazetted services working under the control of Revenue Department in the earstwhile Sandur State. The Government have ordered in G.O. Ms. No.3238 Public(Political) Department dated 21-9-49 that the principles laid down in G.O Ms. No.855 Public(Political dated 26-3-49 regarding absorption of state employees shall apply mutatis mutandis to the absorption of Sandur state employees. I have examined the question of their absorption with reference to the principles enunciated in the above G.O. and submit the following proposals.

Two statements in the form prescribed in Boafd's Ref.W.5913-49-2 dated 3-8-49 are enclosed. Statement No.I contains proposals for the absorption of Sandur state servants in the Revenue Department in Bellary District. Statement No.II relates to proposals for compensation or Retirement of persons, working in the Revenue Department of the late Sandur State, found unsuitable for absorption in any department in Madras Province by reason of age or lack of qualifications and efficiency.

Proposals for the constitution of Sandur into a Taluk have already been submitted in my R.C.No.5480-49 dated 25-6-49 and 17-9-49 and the following establishment is required for a taluk office.

(1) One Tahsildar
(2) One Taluk Head Accountant
(3) Eleven clerks(2 Upper Divisions and 9 Lower Division clerks)
(4) 3.Revenue Inspectors(one for each firka)
(5) One F.S.O(Temporary)
(6) One Shroff.
(7) 10 Peons(as per scale laid down in G.O.No.689 Finance dated 15-7-48) Two for office, 3 for process work, one under each R.I, one for the Tahsildar, and one for the F.S.O.)

I have not proposed a separate stationary Sub-Magistrate for Sandur, as the Tahsildar will try II.class cases and the Taluk Head Accountant all the III.class cases as has been proposed in my Rc.6/63/49 dt 9/10/49.

Whether Sandur is to be a Taluk or a Sub-Taluk. we have only 9 clerks and 9 peons to absorb. If Sandur is constituted into a Sub-Taluk, the staff in excess of the Sub-Taluk requirements will have to be absorbed in the Revenue Department of Bellary District. As the question whether Sandur is going to be made a Taluk or a Sub-Taluk is not yet finally settled, I am unable to send a list of state employees who are surplus to the requirement of the state area and who will have to be provided elsewhere in Bellary district. If Sandur is constituted into a taluk all the staff proposed for absorption can be retained for the administration of the state area.

STATEMENT NO.I;- Section I;- This section deals with state officials possessing general minimum educational qualifications who are fit for absorption in the Madras Ministerial Service. They are fit for absorption as Lower Division clerks and this may be done. The scale of pay to be fixed in Provincial service after absorption is noted in Col.11 of the statement. They are not eligible for advance increments in that cadre as the revised scales of pay were given effect to in the late Sandur state in 1947 and hence no one has put in more than two years service in the present state scales in that partidular cadre.

Section II;- This section deals with officials who do not possess minimum general educational qualifications but who are otherwise fit for retention. According to paragraph 2(iii) of G.O. Ms.No.855 Public(Political) dated 26-3-49 unqualified persons if found fit should be retained in service on their previous pay scales. They will be governed by and retired under the State rules and should not be regarded as members of any of the Madras Government Services. My proposal to relax the rules regarding minimum general educational qualification has not been approved as under G.O.855 dated 26-3-49 such persons have to be continued only on the state scales of pay. The cases in this section are considered, below, one by one;-

Item No.1;- Sri. D.M.Eswariah is willing to continue on the previous scales provided he is given dearness allowance at Madras Government rates. If this is not allowed. he is unwilling to serve and wants to retire. As the rules now stand, he will be eligible for D.A. according to Sandur state rules and

not at MadrasRates. I recommend that he may given D.A. at Madras Government rates and if this is not possible for any reason, he may be retired with pension and compensation for loss of career. His statement is enclosed.

Item No.2;-Sri.K.Bharmiah. The Special officer has not sent his consent statement and I have called for it. I shall submit a further report in th matter.

Item No.3;- Sri.H.Bhimasena Rao. He is willing to be retained in Sandur State scales of pay and Madras dearness allowance. He wants two years tim to qualify himself in Higher grade typewriting so that he could be absorbe as a Typist in Madras Government service. At present he is not even qualified in Lower grade Typewriting. His statement is enclosed. His request may be granted.

Item No.4;- Sri. K.V.Narashima Achar. He is willing to be retained in the Sandur Scales. He is qualified in Lower grade typewriting and is appearin for the higher grade examination which is coming off this month, so as to enable him to qualify himself for absorption. He is an unqualified hand from the point of view of educational qualifications. He will have theref to be continued on State scales of pay or retired suitable pension and on compensation. I must however, mention in passing, that they are able typists and in these days of acute shortage of suitable typists, these wil fill in the gap very well, provided they are exempted from the minimum educational qualifications.

Section III;- Gazetted officers of the State;- Sri.N.Ramachendra Sastry;-

He is the senior most and the next cadre to which he would have been promoted was the Chief Secretary on Rs.400/-. He is senior to the other Gazetted officer Sri.H.Basaih. He has done secretarial work and has passed Criminal Judicial Test(Madras) Civil Judidal Test(Madras) and Account Test Part I for Subordinate officers of Madras Government. He is drawing a pay of Rs.170/-.

In view of his experience in the Sandur Secretrait for a long time, I consider that he is fit for being absorbed as a Superintendent in the Madras Secretrait. Alternatively I recommend that he may be absorbed as a Deputy Tahsildar.

2. Sri. H.Basaiah;- He has worked as Income-Tax Commissioner of Sandur for 5 years and was trained in Income-Tax and Accounts at the Mysore

Mysore Government offices in Bangalore. He will be useful if he is absorbed in the Income Tax Department of the Central Government. In this connection I invite the attention of the Board to G.O.Ms. No.3330 Public(Political) dated 28-9-49, according to which lists of persons suitable for absorption in the Central Government departments have to be sent to the Heades of the Central Government departments in the province. I am recommending his case for absorption in the Income-Tax department.

In this connection, I submit that a report to Government against this office was submitted pointing out the misleading notes put up by him on some bills. The Government have directed that charges should be framed against him for taking disciplinary action under the state rules. The paper is pending.

Section IV;- This section deals with the officers of the Revenue Department of the earstwhile state proposed for absorption in the Registration Department

Item No.1 Sri.V.Prabhanna;- This officer has been working as Sub-Registrar of Assurances & Joint Stock Companies for 5 years and is therefore suitable for absorption in the Registration Department. I am accordingly sending his case to the Inspector General of Registration for absorption as a Sub-Registr

Item No.II;- Sri.N.C.Nagappa;- He has been working as clerk in the registrati department and as therefore proposed for absorption in the Registration department.

Section V;- List of Inferior servants proposed for absorption in Revenue Department in Bellary District.

These 9 persons may be absorbed as peons in the Revenue Department in Sandur itself

STATEMENT NO.II;- Section I Clerks;- These five clerks have put in more than 30 years service and do not possess the general minimum educational qualification. Their educational attainments are very low and are unfit for service in the new setup. Items Nos.1 and 5 are past the age of superannuatio and they may be retired with pension.

Item No.2;- Sri.G.Shanmukha Rao, The ruler of Sandur got him a pension of Rs.30/- per month and the pension was approved by Government of India in their order.

But the person has offered to continue in service. In view of his low educational attainments he is unfit for any clerical job and may be retire on pension already granted and he will be told that his services are not requi

Item No.3 Sri.G.Gopal Rao. He is working as Customs & Excise clerk and has read upto IV Form and is unsuitable as clerk. He may be retired with effect from the date of abolishing Tolls and Customs in Sandur. I have submitted proposals for abolition of Tolls in this office Ref.C.No.5868-49 dated 2-6-49 and the matter is pending with Government.

Item No.4;- Sri. S.Neelakhanta Rao. The ruler had dismissed this person on grounds of dishonesty and reinstated him after long lapse of time. The break in service was condoned by the ruler. My predecessor set aside the order of the ruler condoning the break and the matter is in appeal with Government .Vide this office Ref.C.No.7175-49 dated 16-6-49(Vide Government Memo No.3749-49-2 dated 1-8-49). In any case he is unsuitable for further service in view of his low qualifications. His case should await the orders of Government to consider whether he has to be given any pension. He has served for 39 years and we have no need for him..

Section II. Peons permanent;- Item No.1. May be retired with pension. Items Nos.2 to 5 were discharged on the dates noted in remarks column with the permission of Government as there are urchins. Items No.6 and 7 were discharged as they were unwilling to serve. Proposals for payment of compensations in respect of item Nos.2 to 5 and 6 & 7 are submitted separately to the Board in this office Ref.C.No.5699-49 dated 4-8-49 and 9 -10-49 and in this office reference C.No.6932-49 dated 26-9-49 respectively.

Section III. Temporary;- Item No.1 is a superannuated Mysore Government servant who was discharged on 1-7-49. I think no compensation need be paid to this person.

Item No.2;- was discharged on 1-7-49 as unwanted. No compensation need be paid as he has put in only 4 months service.

Item No.3 is an urchin and has to be discharged. I am asking the Special Officer to discharge him after giving one month's notice.

Item No.4 to 7;- These persons are working as Arrack vendors in Sandur state. Arrack is distributed through Government agency and these persons will have to be continued till prohibition is introduced. They may be discharged with suitable compensation from the date of enforcing prohibition.

Item No.8 is not eligible for any compensation as he is working on a commission basis.

Item Nos.9 to 14;- These persons are working as Tollgate clerks and watchmen. I have submitted proposals for the abolition of the tolls in Sandur and the matter is pending with Government. These persons may be discharged with suitable compensation from the date of abolition of Tolls.

I am forwarding proposals for the absorption of persons working in the following departments to the respective heads of departments through their district officers

1. Forest 2. Prohibition. 3. Public Works. 4. Vetarnary 5. Provincial Transport Department 6. Police 7. Judicial 8. Medical 9. Education 10. Public Health and Local Administration 11. Electricity.

A copy of Sandur leave rules and state service regulations and orders regarding grant of dearness allowance are enclosed.

Confidential sheets in respect of persons proposed for absorption are also enclosed.

3. Incidentally, it is submitted that with the abolition of tolls and customs in Sandur there will be no work for the establishment of the Tolls and Customs Department in Sandur which comprises of the following staff:--

(1) Tolls and Customs Assistant ..	1
(2) Tolls and Customs Clerks (Office)	1
(3) Toll gate clerks	5
(4) Toll gate watchman	1
Total	8

I have already submitted proposals in my Rc. No. 5363/49-S1, dated 21-10-1949 addressed to the Board of Revenue for the discharge of the above staff as there will be no suitable posts for them in view of their low qualification etc. Out of the above staff, the first two are permanent servants of the State and they are also attending to the arrack sales in Sandur. The others are temporary and have to be discharged with a month's notice as per orders in G.O. Ms. No. 855, Public (Political), dated 26-8-1949. Pending orders from Government for their discharge, I have instructed the Special Officer, Sandur, to issue the temporary staff a month's notice so that they may be discharged after one month, if the collection of tolls and customs is stopped. I request that my action in having issued instructions to the Special Officer, Sandur, to issue discharge notices to the staff may be ratified. The two permanent servants will have to be retired after issuing three months' notice. I request orders in this matter also.

The file relates to the proposal of the Bd. of Rev. regarding the retirement or discharge of some of the erstwhile Sandur State employees. The Board's proposals in respect of the persons referred to in the Statement I on p.13 c.f. are dealt with separately. The Board's proposals in respect of the persons mentioned in the Statement II on pp.14-15 c.f. are examined in this file.

2. Statement II Section I.- This section contains particulars in respect of 5 persons who were permanent employees of the State. In the circumstances stated in para 4 on pp.1-2 ante, this Dept. accept the Board's recommendation to retire Nos.(1), (3) and (5) in Section I of Statement II. Public (Poll.) and Fin. agree to the retirement of the persons Nos.(1) and (5) only. As regards No.(3), Public (Poll.) No. No.855, Public (Poll.) dated 26-3-1949, as the incumbent is reported to be only 47 years of age. In this connection, it is submitted that the Collector of Bellary has already reported that he has read only upto IV form and is not suitable for appointment as clerk. The Collector has also stated that he might be retired with effect from the date of abolition of tolls and Customs in Sandur State, as with the abolition of tolls and customs in the Sandur State, there will be no work for him. He has also put in more than 30 years of service. Tolls have been abolished in the Sandur State. In the circumstances, I or orders whether he may also be retired on pension as recommended by the Bd. and the Collector. The Bd. of Rev. may at the same time be asked to take into consideration the instructions issued in Memo No.2043/49-12 Public (Poll.) dated 2-2-1950 - Vide Pub. (Poll.) note at a on p.4 ante.

No(3) has already retired. - p14 CF

As regards No.(4) in Section I of Statement II, the attention of the Bd. may be drawn to G.O. No. No.35, Public

(Poll.) dated 5-1-1950. p 14 CF

3. Statement II Section II.- This section contains particulars in respect of 7 peons who are permanent members of the State. The question of absorbing No.(1) under this Govt. is separately under consideration. Orders have been issued sanctioning compensation to Nos. 2 to 7. The Collector of Bellary has reported in his letter extracted on p.16 c.f. that he has asked the Special Officer, Sandur to issue a month's notice to some of these employees so that they may be discharged after one month. He has requested that his action may be approved. This Dept. accept the Board's recommendation and approve the action of the Collector of Bellary referred to above. The remarks of Public (Poll.) on this point are extracted below for facility of reference:-

> "The temporary State personnel are recommended to be discharged in view of the reorganization of the departments and as some of them are over-aged. The Board's attention may be invited to para 10 of G.O. Ms. No.855, Public (Poll.) dated 26-3-49 and it may be informed that they should be given compensation for loss of career. If any of them who are within age express their willingness to serve the present administration, they may be offered alternate jobs instead of discharging them against their will. Revenue will no doubt take every effort to utilise talent available as there is an all-round shortage of experienced personnel having knowledge of local conditions."

Finance have agreed with the above remarks. This Dept. also may agree and inform the Bd. accordingly.

5. ~~Subject to orders,~~ A draft order is submitted based on the suggestions of Pub(Poll) - It is however not clear whether para 10 of G.O Ms No. 855 Pub (Poll) dated 26-3-49 contemplates grant of compensation to temporary employees discharged. From

Sri N. Ramachandra Sastry, B.A.,

General Secretary to Government, Sandur.

To

The Collector of Bellary,

Bellary.

Through

The Special Officer i/c State Administration, Sandur.

Sir,

Sub: Absorption of State servants in Madras services.

Ref: Notice of Special Officer, Ref.C.No.165/49B(S.O.) dated 7th May 1949 (copy enclosed).

I am quite willing to serve in the new set up.

2. The notice, while it calls for a positive reply from me, does not give any indication of how my services will be viewed. I am sure that the Government of Madras does not contemplate my absorption in a way that I would be worse off in my new job than I am at present. The declared policy of the Government of India assures this.

3. I am stating below the salient features of my service up to now to serve as an indication.

i) I hold a gazetted rank in the State.

ii) I have worked as a First Class Magistrate for over three years in the State. My work as magistrate has been inspected by the District Judges of Bellary (as Nyayadhish of Sandur Chief Court) and was found to be good. I passed the Criminal Judicial Test of Madras in 1940 before I was appointed as magistrate. I am thus qualified to hold that post even under the Government of Madras. This should entitle me to a post where I can exercise the same powers.

iii) I hold a teaching degree (B.Ed.) of the Andhra University. I have worked for about 3 years as Vidyadhikari - Educational Officer - a post previously held by a retired D. E. O. of the Government of Madras. In that post, I have been in charge of the inspection of all the schools in the State including the High School, as well as direction of the educational policy.

iv) I have also exercised the powers of a Deputy Commissioner under various laws - mainly, Excise, Forest, and Land Revenue.

4. Present pay drawn should not be the sole criterion in deciding my future career. I accepted less pay here due to certain amenities such as free education. I was in my native place and not liable to transfer. We were also promised by the Ruler better scales of pay with impending economic progress of the State by way of starting electro-metallurgical industries in the State which has, even now, the support of the Government of Madras.

5. The plurality appointments held by me and the status enjoyed by me as practically next authority to Government as General Secretary to Government should be given due weight and consideration.

6. I shall certainly qualify myself by passing any obligatory and unavoidable tests within a reasonable period.

7. I am 43 years old and am able to serve for a considerable period and be useful to the Government. The very generous way in which certain servants of this State (affected by merger) have been treated by the Dominion Government is before me. I need not plead that the remaining servants also will be treated equally generously by the Dominion Government.

8. I hope, I will be absorbed in a way which will assure me the status that I am enjoying even till today and enable me to be a useful public servant.

Yours faithfully,

Ramachandra

General Secretary to Govt.
Sandur.

the post of a Lower Division clerk, in the Registration department. had addressed the Inspector General of Registration to take action to absorb him as a lower division clerk in his department. The Inspector General stated that no action was proposed to be taken to absorb him in the Registration department as he had not been excludively employed for registration work in the (merged) state of Sandur prior to merger. I enclose a copy of letter No.1177-50/E.4 dt.31-3-50 received from the Inspector General of Registration, Madras. His case thus still remains unsettled. below

The views of Revenue at 'X' on p.l ante may be agreed to in this department. ~~The following remarks seem called for.~~

Sri G.Shanmuka Rao was holding the post of a magesterial clerk prior to merger. The Collector of Bellary has reported that Sri Shanmuka Rao was granted a pension of Rs.30/- p.m. by the Ruler of Sandur and that he has offered to continue in service even after merger. The Collector is of opinion that he is unfit for any clerical job under this Government and that he may be retired on pension already granted by the Raja Saheb of Sandur. The fact that Sri Shanmuka Rao has been pensioned by the Ruler goes to prove that he ~~seise~~ ceased to be a servant of the Sandur Durbar at the time of the merger. Absorption of state servants relates to those who were in service at the time of the merger. Revenue may be requested to make this point clear while sending a reply to the Board of Revenue.
